grace notes

Dear Auntie, Dear Uncle,

LUCKY BOY! HAPPY MEMORY!

This is a snapshot of Uncle Howard and Ethel Shima with their grandson, Jonathan, at the big tennis tournament up in New York State.

Jonathan is a lucky boy to be able to share and keep this happy memory with his grandparents!

As a Common Grace mentor, you are in a memory-making relationship with your child. Take him someplace over the holidays. A park. A movie. A visit to Coldstone Ice Cream. Anyplace.

Have fun! Keep the memory! Love, Jay
