grace notes

Dear Auntie, Dear Uncle,

Well, it's the start of another year filled with hope and new resolutions of improving ourselves and making the most of each day! We at the Common Grace office hope you all had a wonderful time this holiday season with family and friends, and LOTS of food!

LITTLE NOTES... or GRACE NEWSBITS...

1. It's tax time! – Muchos mahalos to all of you who so generously donated to keep Common Grace afloat and operational! You'll be receiving a statement from us to use in preparing your tax returns.
2. We have been updating our mailing as well as e-mail address lists since we hope to soon begin e-mailing our Grace Notes; please advise your coordinator of any changes.
3. New on our website at www.commongrace.org:
 - ✓ Links to the Board of Education, as well as individual school calendars.
 - ✓ View the pdf version of our current and previous Grace Notes which includes photos by clicking on "pdf" on the right of the date after selecting the issue you want to view.
 - ✓ Updated permission forms for outings with your child, as well as other forms and our training manual.
 - ✓ See all the partnerships established between schools and churches in the Common Grace program.

Coordinators: Please call Jay or Dennis if you need any assistance in getting your program running.
