grace notes

Dear Friends of Common Grace,

Thank you for your prayers and generous financial support through Give Aloha, Foodland's Annual Community Matching Gifts Program. Because of YOU, we were one of the top 100, out of 665 total organizations, to receive the most customer donations during our first year of participation! With your donations and Foodland & Western Union's matching gifts, we received a total of \$4,680.29. May God bless you abundantly!

"rooted and built up in him, strengthened in the faith as you were taught, and overflowing with thankfulness."

Colossians 2:7

I thank God for you! You are "rooted and built up" in Jesus' love; strong in faith and overflowing your thankfulness into the lives of children!
