WE ARE BUILT FOR RELATIONSHIPS.

Common Grace was founded in 2003 after the Columbine shooting with the mission of ending loneliness in Hawaii's public elementary schools. Through Mālama Mentors, which is a program within Common Grace, high school students are able to share C.A.K.E. and make a difference in a child's life. We want to do the same thing for these high school mentors. As a Common Grace Sponsor, you get the life-changing opportunity to share C.A.K.E. and build a relationship with a teen mentor.
