

Dear Common Grace Family,

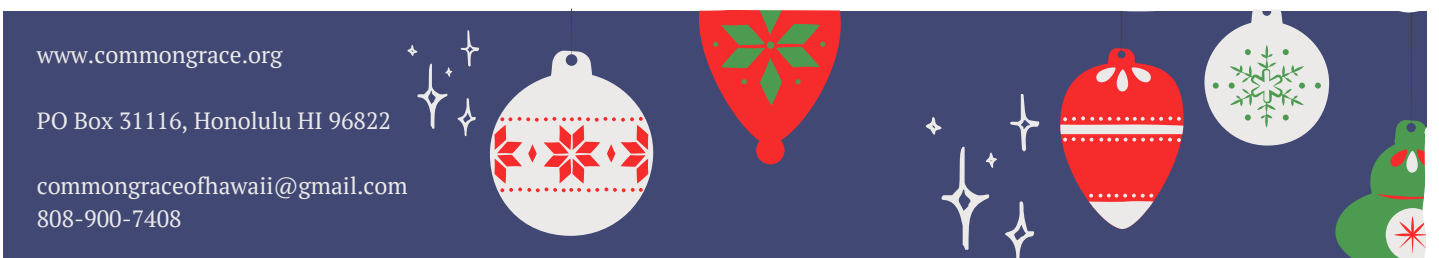

December 2023

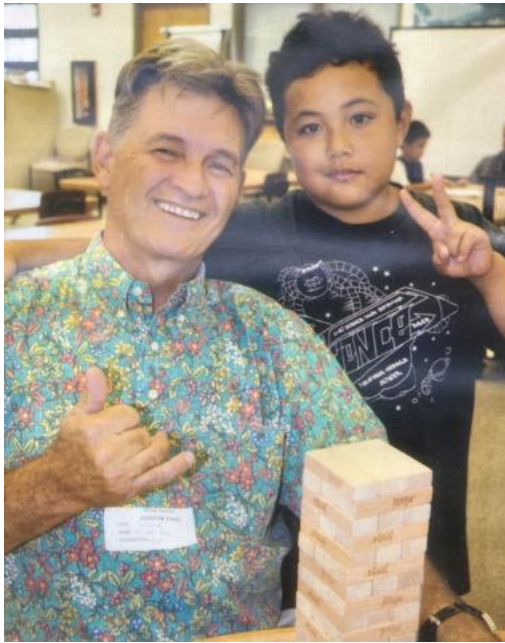

Would you like to join us in accomplishing a bold, impactful vision?

Recently, we were awarded \$30,000 from G70 “Hope Grant”. They were gracious to provide us with this funding to kickstart a bold and new initiative. They are challenging us to create a mentoring program that will bless children and teens within Pacific Islander communities. (Specifically Micronesian and Marshallese). By providing mentors for these communities, Common Grace will create hope for future generations.

At our presentation to their leadership, we invited Kevon, who was Uncle Jay’s own mentee. They are still in touch (pictures of him in 3rd grade and currently on the back side). Kevon started by sharing a powerful statement --- “I am a product Common Grace”. Jay’s jaw dropped so fast that his chin hit the table. Jay then added “It’s about the real lasting relationship between him and me. Our bond is strong!” Kevon then went on to say how his relationship with Uncle Jay helped him grow to be a caring individual, husband and father of three.

--> Turn Over

This Christmas Season, I want to ask you to join us in creating hope by bringing love to vulnerable keiki on O’ahu who are growing up in these special communities. They need positive role models in their lives. This project can be one year or ongoing depending on the degree of support that comes from you.

We have received \$30,000 through the Hope Grant and now we must raise an additional \$70,000 to make the project sustainable. Please send a Christmas gift to Common Grace and we will direct your support toward this worthy goal.

In His Grace,
Aries Jackson

Executive Director
